

FOOTWEAR CATALOGUE
Issue 9

ABOUT Chaneco FOOTWEAR

Chaneco have been making footwear for 45 years, and we remain a close-knit family business, based in Northampton. Recent years have seen rapid growth for our company and now we are proud to showcase all the recent developments in this new catalogue.

The layout has changed from recent years, and the footwear is now ordered more by pathology than style type. Please refer to the "How to Use" section on the next page to get the most out of your new catalogue.

Our main message is one of flexibility - choose your size, style and last, pick an appropriate inlay allowance and sole, then define your colour and material choices from our extensive range. And of course, we remain the experts in our field in altering and adapting footwear to your patient's requirements.

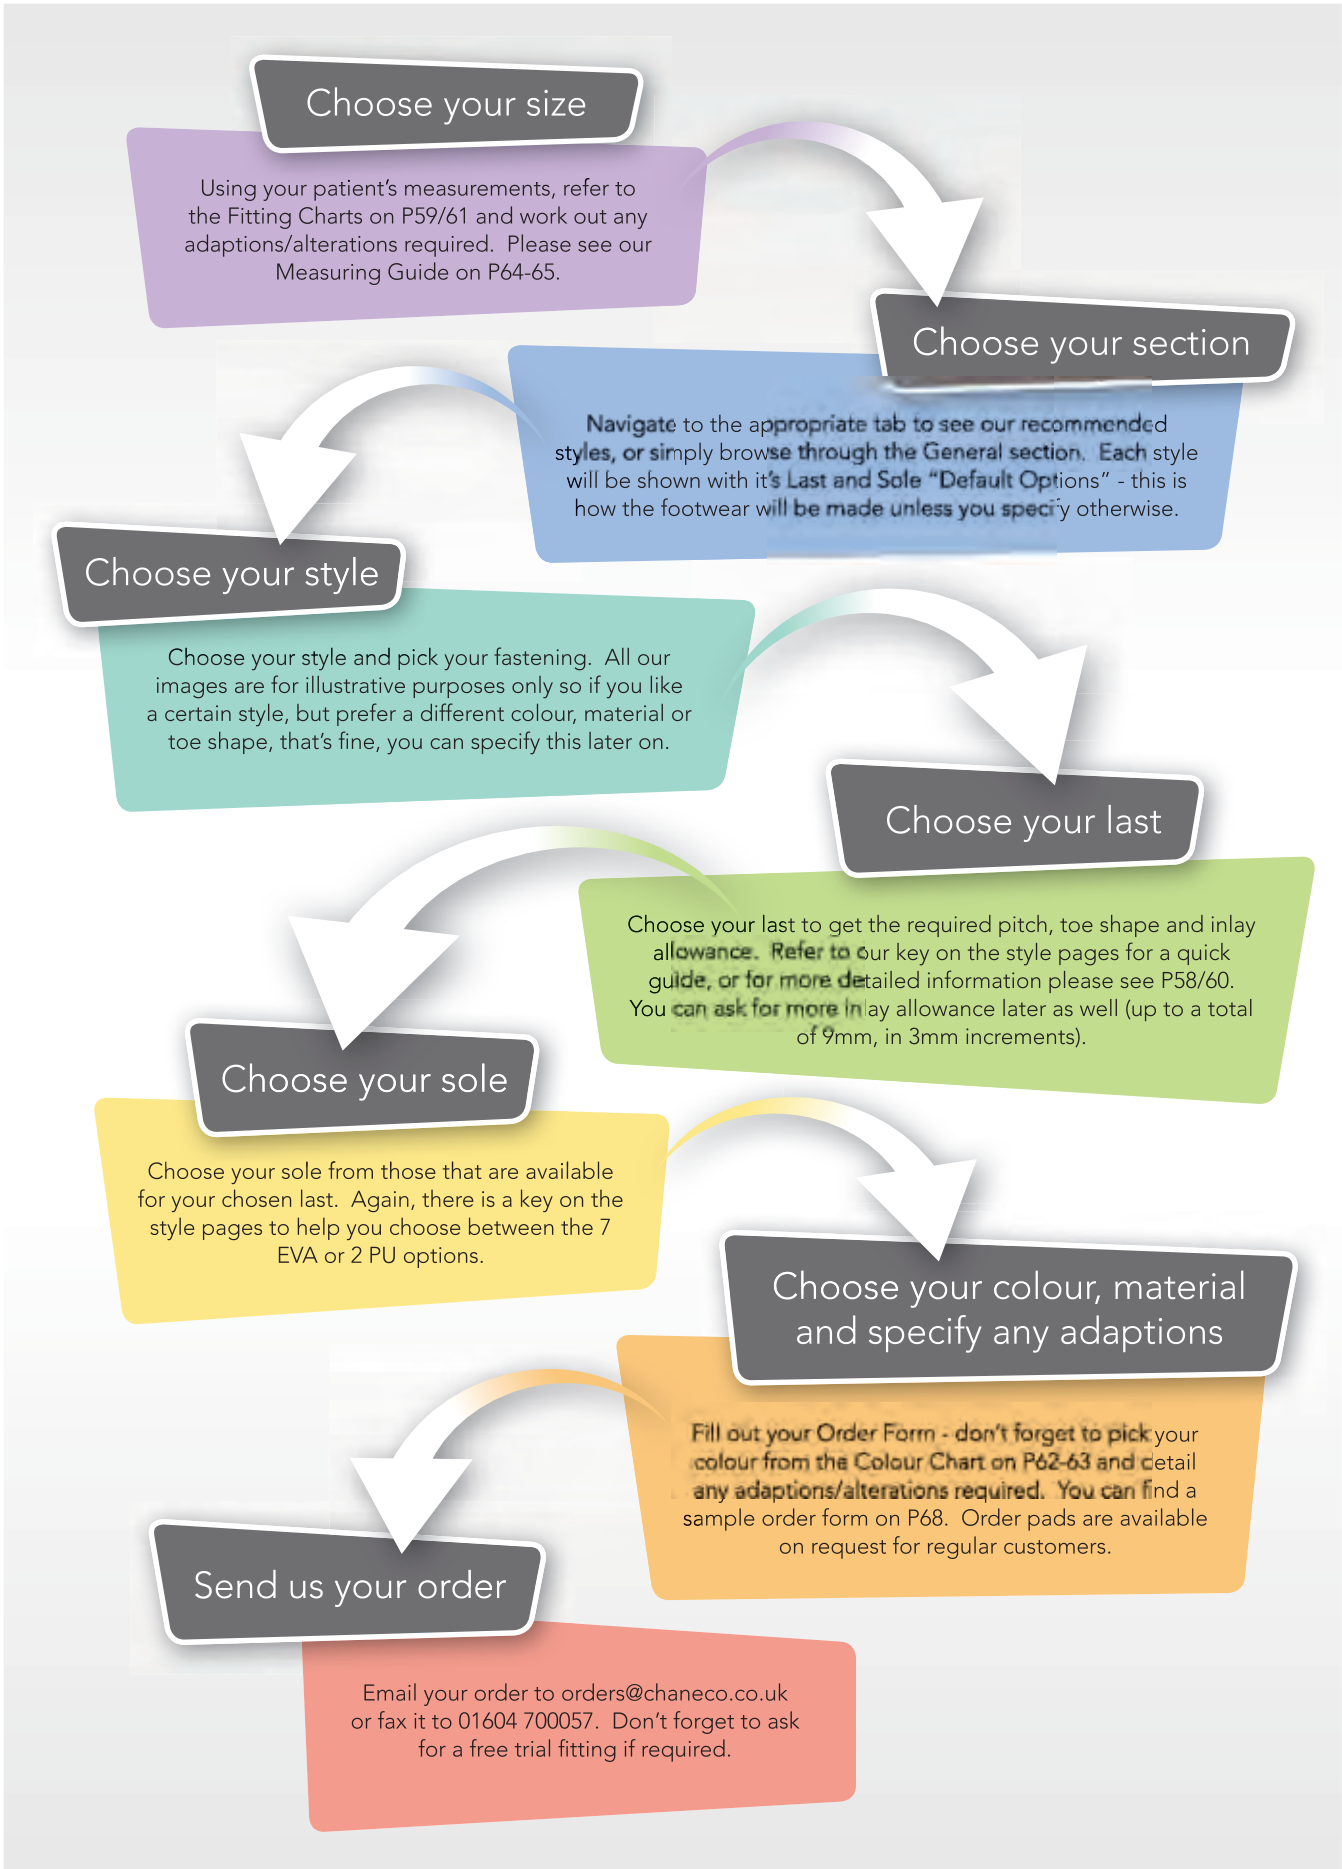

Our Customer Services team and your local Business Manager are all on hand to help you should you need any help finding your way around the catalogue.

Please call us on **01604 709999** or email **info@chaneco.co.uk**

HOW TO USE THE Chaneco CATALOGUE

CONTENTS

We have arranged our footwear into the following sections, to help you and your patient navigate easily to the most appropriate footwear for their condition. There is a tabbed section for each of the following:

OTHER PRODUCTS

Custom Orthotics and Insoles

We also operate a full Custom Orthotics workshop from our factory in Northampton. We can manufacture a wide range of devices to your requirements, including BK Irons, AFOs, DAFO's, KAFO's, Helmets and Body Jackets etc.

As well as our comprehensive range of stock insoles, we also manufacture our own range of custom made insoles using both traditional methods and CAD/CAM technology. TCI's and FFO's can be made with or without footwear, accommodating numerous adaptations such as Met Bars, heel raises etc, and your choice of covering material.

Chair Boots

Chaneco Chair Boots are specially designed for non-mobile use and are open-toe for maximum access. Available in standard sizes from child size 3 to adult size 14, or alternatively made to measures or from casts. All our Chair Boots come with Velcro fastening and lambs wool lining as standard.

Please call our Customer Services team for more information - 01604 709999.

LADIES LASTS

The Chaneco range of lasts offer unbeatable flexibility and choice. If you're unsure which one to choose, start by deciding the pitch you require - 0mm, 25mm or 45mm, then your desired toe shape. From there you will see the Standard Inlay Allowance (you can always add more up to a total of 9mm, in 3mm increments) and then the lasts available. Use the Fitting Chart opposite to help determine the Fitting you require - please note that Deep and Wide & Deep fitting are only available on the Original, Contemporary and Cosmo lasts.

The heel height as specified in this catalogue is measured as the height of the heel, excluding the thickness of the sole, measured half way along the side of the heel.

MODULAR FOOTWEAR ALTERATIONS

All our footwear can be modified in specific areas to achieve optimum fit

Many areas can be built up without altering the sole shape. These are:

- Increasing medial or lateral joint width up to 4mm either side
- Adding a medial bunion pocket up to 12mm
- Adding a lateral bunion pocket up to 6mm
- Increasing length up to ½ size
- Increasing heel width up to 3mm each side
- Increasing toe box depth
- Increasing joint / forepart depth
- Increasing instep circumference
- Straighten back of last to reduce heel clip

Some areas can be built up which will mean hand cutting a custom insole and hand making a custom sole unit. These are:

- Increasing medial or lateral joint width over 4mm on either side
- Increasing length over ½ size
- Increasing heel width over 3mm each side
- Increasing width at valgus
- Straightening inner toe border - natural toe shape
- Increasing last bottom shape to drafts

Boots:

- Boot leg and ankle circumference can be altered to your requirements.
- Boots can be manufactured with increased leg height, up to a maximum of 250mm.

Stiffeners:

- Stiffeners can be extended medially, laterally and vertically as required with padding and cut outs if necessary

Original, Linea, Cosmo & Contemporary Lasts have the following options available:

ALICE / ADAM - Reduces the heel width by 4mm & short heel by 18mm

CHLOE / CLIVE - Reduces the forepart depth by 4mm and the joint circ by 8mm

EMMA / EDDIE - Reduces the heel width by 4mm, forepart depth by 4mm, joint circ by 8mm and short heel circ by 18mm

Bespoke Footwear:

All our styles can be manufactured as bespoke footwear, either from measurements, casts or scanned STL files

Adaptions:

All Adaptions can be incorporated during manufacture including T or Y Straps, sockets, raises and sole wedges, floats, elongations and rocker soles.

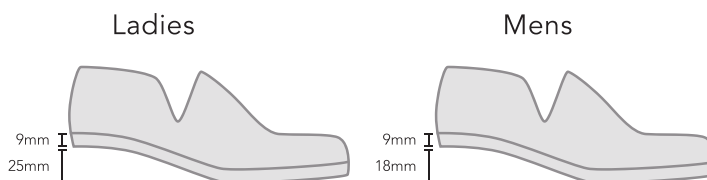

Repairs & adaptions to patients own footwear are also available.

TERMS & CONDITIONS

Diabetic Footwear

All Chaneco footwear can be made to a diabetic specification on request. Footwear made to diabetic specification will be made using soft leather, seam free zig zag antibacterial moleskin linings and a rim toe puff. Please specify on your order if you require rigid insole board and/or a particular sole unit.

Linings and Inlays

All footwear is supplied with either full antibacterial moleskin linings or leather quarter linings with moleskin vamp linings depending on style. Lining materials can be varied on request and include full leather, plush or lambswool linings.

All footwear is supplied with 2 x 3mm poron inlays and a contoured polyurethane footbed or velour covered inlay for comfort and internal adjustment.

Trial Fitting Service

We offer a free trial fitting service on all of our footwear, allowing for small alterations to be made before finishing. Any additional trial fittings may be chargeable. Please specify on your order if trial fitting is required otherwise the footwear will be finished. Large alterations after fitting may require uppers to be re-cut for which a charge will be made. Footwear sent at trial fitting stage is not normally invoiced until the footwear is finished, however an invoice may be produced in full if the footwear is not returned within 90 days of despatch.

Despatch

Chaneco stock and modular footwear, including special orders, will be despatched within 2 weeks. Bespoke footwear will be despatched within 4 weeks. UK despatch will be by 1st Class Royal Mail or next working day courier at our discretion. Overseas deliveries may take longer depending on courier.

Returns

Ladies footwear in Black, Navy and Taupe, sizes 3 - 8, and Men's Footwear in Black or Brown, sizes 7 - 12, in styles with NHS Codes F1 or F2 (made to default specifications without any alterations or adaptations) may be returned for a full refund. All other colours and any made to order styles (NHS Codes F5 & F6) are non-returnable.

Patient specific footwear including made-to-measure, split sizes, split fittings, special colours, last or upper altered or adapted footwear is non-returnable. Single shoes or boots, or worn footwear is non-returnable.

Chair boots are non-returnable. Unworn Celia Ruiz slippers and Protect iT Diabetic socks in their original packaging and in a re-saleable condition may be returned for a full refund.

Conditions of Sale

Confirmation of telephoned or faxed orders should be clearly marked "Confirmation" to avoid duplication.

The company reserves the right to alter specifications or withdraw styles without prior notification.

All goods remain the property of Chaneco until paid for in full.

All goods are subject to VAT at the prevailing rate. If you believe you are exempt from VAT, please contact us for a declaration form before placing your order.

Full Terms and Conditions of Sale are available on request or on our website.

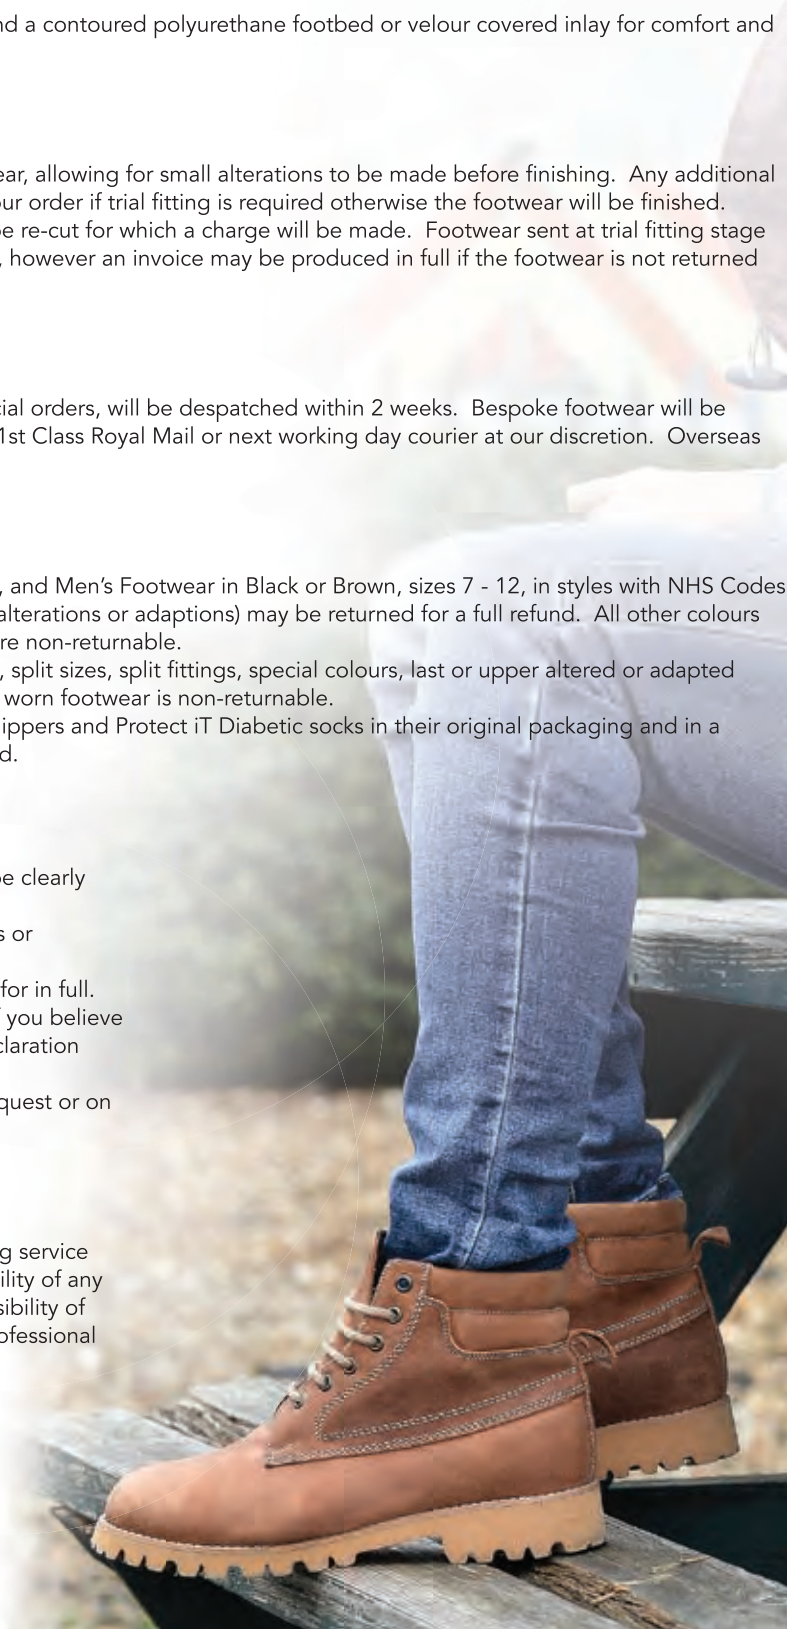

Important Notice

We do not provide any medical advice or a measuring service and cannot give any medical opinion as to the suitability of any of our products for individual needs. It is the responsibility of the individual to consult a medical or orthopaedic professional before placing an order.
